

Want Career Direction? Use Your AGILITIES

Agilities are groups of career interests and strengths you have or WANT to develop. They can be used across occupations. Understanding your Agilities gives you the focus and flexibility to create a meaningful career path. Take the Agile Work Profiler to start.

Working with Information

- Document and process data
- Analyze information

Serving and Caring

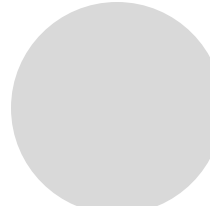

- Assist and help others
- Work directly with the public

Managing

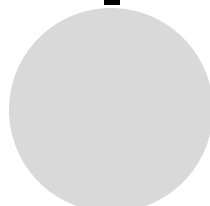

- Coordinate work of others
- Develop strategies and plans
- Provide consultation and advice

Selling and Communicating

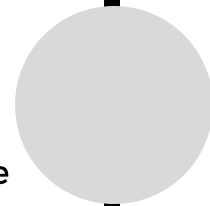

- Convince or influence others
- Work with people outside of the organization
- Resolve conflict and negotiate

Developing Others

- Teach and train others
- Coach and develop others
- Provide consultation and advice
