

HANNAH NOEL

Intern

Hannah is an Intern at The DeBruce Foundation as well as a KC Scholar and a student at the University of Central Missouri. She is finishing her bachelor's degree in Actuarial Science and Statistics while simultaneously earning her master's in Statistics and Data Science. On campus, Hannah tutors math students and is the president of the Actuarial Organization. She is passionate about helping others succeed and reach their full potential. Hannah has been involved with The Foundation through The DeBruce Career Corps since 2018. Hannah works on a variety of projects from data analysis to operations and product testing. In her free time, she enjoys reading and playing with her cat.
